

Join us at the
Historic Pritchard House

In celebration of

Florida Arbor Day

Friday, January 17, 2020 at 11:00

*Titusville has been designated as Tree City USA
by the Florida Forest Service
and the official Tree City USA Flag will be displayed*

Michael Myjak, Chairperson of the Titusville Environmental Commission will explain what the Tree City USA program is and read the Titusville Arbor Day Proclamation. The Titusville Garden Club will pre-plant a calamondin orange tree and a jatrophia tree and the Titusville Garden Club Tree Farm will participate and have a selection of trees for sale. The Titusville Tree Farm is a volunteer organization dedicated to the conservation, education and beautification of Titusville area and has trees available to the public. The Titusville Tree Team was formed to encourage the City to adopt Tree Preservation Regulations to prevent clear cutting and develop low impact development strategies and will have an information table.
